A polygraph examination was given Mr. Litchfield upon the request of Lt. Jack Revell on this date. The examination was given to determine if Litchfield was being truthful about seeing Lee Harvey Oswald at the Club Carousel which is operated by Jack Ruby. Below is a list of pertinent question asked.

1. Have you told the complete truth about seeing Oswald at the club the night you were there? Answer: Yes
2. Have you made up any of this story about seeing Oswald at the club the night you were there? Answer: No
3. Are you looking for any personal gain or notoriety from making this statement? Answer: No
4. Have you deliberately lied about your thinking this was Oswald? Answer: No

Mr. Litchfield tried for the first half of the examination to control his breathing pattern.
